

# Town of Stanford Master Plan Committee

## UPDATE- JULY 2011

### Where we've been this year

Since the beginning of this year, the Committee has been working hard with a professional planner to make the Master Plan a reality. We set an aggressive schedule and have been meeting weekly or biweekly to get our job done. We have met with various stakeholder groups in town, and held a town public meeting on February 28<sup>th</sup> which was extraordinarily well attended. We are now approximately 75% through our process and are in the midst of writing a draft Master Plan.

### What is next

We will continue working through the summer to enable us to present the draft Master Plan for your comments at a Town Meeting in late September or early October. We will have the draft available for your review on the town website and in the Town Clerk's office prior to the meeting. After that meeting we will revise the draft based on comments received, and we will then hand over the Master Plan to the Town Board, which will hold a public hearing and then vote on adopting the plan.

### Get Involved

Please visit our website ([www.stanfordmasterplan.org](http://www.stanfordmasterplan.org)) for our meeting notes and detailed information on the Committee and on the Town. Audio CD's of our meetings are available in the Town Clerk's office. We welcome you to our meetings, which are usually on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays of each month at 7:30 in the Town Hall (but check the Town web site for possible changes). We offer an opportunity for citizens to speak to the Committee at the beginning of each meeting. Or feel free to contact us directly and express your opinions. Our goal is to make this an open government process so that the Master Plan is truly **yours**.
